**Service Description**
The Commonwealth Home Support Programme (CHSP) builds on the strengths of previous home support programs and consolidates four programs nationally, creating a streamlined source of support for older people living in the community, and their carers. Annecto is funded through Carer Relationship and Carer Support Sub-program and also the Community and Home Support Sub-Program, providing entry level home support for older members of our community who need assistance to continue living independently. CHSP provides funding for you, your carer and your family to take a break, spend time with your family and friends, or continue to participate in social activities and community life.
