Service Description

Mind offers a range of specialist psychosocial support services to help you gain better mental health and improve the quality of your life. We are a registered NDIS provider and offer a range of support services to pick and choose from. If you have an NDIS package, ask about our NDIS funded services. Mind provides practical and motivational support that helps you develop the skills you need to move on, thrive and reclaim your life. From our years of experience, we know every person's journey to a life of meaning and purpose is a very personal one - so we help you in ways that best suit you. We care about you and the important people in your life, so will gladly involve them in planning and decisions about your care, according to your wishes.
