**Service Description**

<p>Youth Central is the Victorian Government's website for people aged from 12 to 25. It's the place to go for information about jobs and careers, services and events in your local area, study, travel, money and more.</p> <p>They&nbsp;also publish interviews, reviews, competition listings and regular news about what's going on and ways you can put your talents to the test.</p> <p>Articles on Youth Central are written by a team of young writers who sign up to get trained how to write for the web, and are then unleashed to bring back their unique take on the happenings in this almost-triangular state of Victoria.</p>
