**Service Description**

<p>Our purpose is to ensure that young people have every opportunity to succeed in Australia. Through a combination of specialist support services, training and consultancy, knowledge sharing and advocacy, we are working to remove the barriers young people face as they make Australia their home.</p> <p>The young people we work with tell us they prefer not to be defined by labels. It is important however, to explain that most of our work focuses on young from migrant and refugee backgrounds, 12-25 years old, with a particular priority on those who are newly-arrived to Australia.</p>
