**Service Description**

Reconciliation Australia was established in 2001 and is the lead body for reconciliation in the nation. We are an independent not-for-profit organisation which promotes and facilitates reconciliation by building relationships, respect and trust between the wider Australian community and Aboriginal and Torres Strait Islander peoples. Our ambition is to enable all Australians to contribute to the reconciliation of the nation. Our vision of reconciliation is based on five inter-related dimensions: race relations, equality and equity, unity, institutional integrity and historical acceptance. These five dimensions do not exist in isolation; they are inter-related and Australia can only achieve full reconciliation if we progress in all five dimensions, weaving them together to become a whole.
