Service Description

Wyndhamvale Health Care is a fully accredited general practice which offers our patients a variety of services to compliment their medical treatment and needs. Wyndhamvale Health Care is a purpose built clinic located in the heart of Wyndham Vale, close to shopping precincts and recreational reserves. The Clinic has wide corridors and disabled toilets, baby change table and a children's play area. At Wyndhamvale Health Care we are supported by a general physician, neurologist, physiotherapy team, a podiatrist, dietitian, diabetic educator, psychologist, osteopath, asthma nurse, exercise physiologist and in-house ultrasound, on-site pharmacy and pathology collection. Assisting our highly qualified general practitioners is a team of very experienced practice nurses and experienced medical reception staff.
